OMSCHRIJVING

- 189 cm (75") Ambilight TV
- P5 Perfect Picture Engine
- TITAN OS smart platform
- Dolby Vision & Dolby Atmos

Immerse yourself in what you love. Ambilight TV.

Ambilight TVs are the only TVs with integrated LED lights on the back that react to what you watch, immersing you in a halo of colourful light. It changes everything: your TV seems bigger, and you'll be drawn deeper into your favourite sports, films, music and games.

Whatever the source, always perfection. Philips P5 engine.

The Philips P5 engine delivers a picture as brilliant as the content you love. Details have noticeably more depth. Colours are vivid, while skin tones look natural. Contrast is so crisp you'll feel every detail. Motion is perfectly smooth.

Quantum Dot technology for incredible colour and contrast.

Bolder colours. Crisper whites. Deeper blacks. The Xtra's Quantum Dot Mini-LED technology gives you bright,

DO	9u tot 19u		

detailed picture with pin-sharp contrast. You'll see more colours than ever before, and this Ambilight TV is compatible with all major HDR formats, so you get more detail in dark and bright areas too.

Find it easily. TITAN OS.

It's quick and easy to find what you love with our TITAN OS smart TV platform. Enjoying a series? You can continue watching straight from the home screen. If you're looking for something new, you can browse categories like action or drama and see suggestions from the top streaming services, all in one place.

Cinematic vision and sound. Dolby Vision and Dolby Atmos.

With Dolby Vision and Dolby Atmos on board, your films, shows and games look and sound incredible. See the picture the director wanted you to see. No more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

Epic gaming. 120 Hz, ultra-low lag, VRR, FreeSync.

Play without limits and immerse yourself in OLED's incredible realism! HDMI 2.1, a blazing-fast 120 Hz native refresh rate and ultra-low input lag bring fluid, responsive gameplay, super-smooth natural motion and great-looking graphics. Ambilight's gaming mode brings even bigger thrills and, if you're gaming on a PC, you can enjoy 144 Hz VRR via HDMI.

Remote made from recycled plastic. Responsible packaging

The Xtra's metal stand looks sleek, and you can use Ambilight as instant mood lighting when the screen is off. The TV remote is made from recycled plastic, our packaging uses FSC-certified recycled cardboard and the inserts are printed on recycled paper.

Easy control

You can use the slender TV remote to control your satellite or cable box too. For voice control, you can activate Alexa via the remote's dedicated Alexa button, or you can control your TV via Google smart speakers.

Philips Wireless Home System powered by DTS Play-Fi.

Philips Wireless Home System powered by DTS Play-Fi lets you connect to compatible soundbars and wireless speakers around your home in seconds. Listen to films in the kitchen. Play music anywhere. You can even create a home-cinema surround-sound system using your Ambilight TV as a central speaker.

Supports all major HDR formats
